‘ONLY GRAINS AND HORSES’

The ALA North East Group Committee and committee member firms are pleased to invite you to a tour of **Hazelrigg Racing** with a case study presentation from **Graeme Wyld (CEO Coastal Grains)** on **Thursday, 16 November 2017 at 3.00pm.**

The tour will look at the yard and operations of Hazelrigg Racing, owned and managed by Rose and Tony Dobbin, including a look at the beautiful yard, horse swimming pool, indoor gallops and what it takes to train winning horses.

We will then adjourn to the Percy Arms, Chatton for tea and coffee (or perhaps something stronger) and a talk from Graeme Wyld, CEO Coastal Grains, to discuss the changing environment of selling to the food industry and what he and his members are hoping to achieve in the future to keep arable farming sustainable.

For hygiene reasons please ensure all footwear is clean and water proof so it can be disinfected on arrival.

More information about the ALA:

The ALA was founded in 1975 to provide a forum for professionals serving agriculture (lawyers, surveyors, accountants, bankers, farm business consultants and others) to support each other in their specialism. Day conferences are held each Spring and Autumn which provide an excellent selection of agriculturally-based talks plus an opportunity for networking. For more information, visit www.ala.org.uk

The regional groups are an initiative to cater for practitioners at a local level, their purpose being to:

- Provide a source of continuing professional development for those in rural businesses
- Encourage the development of working relationships by inter-professional networking
