ALA VISIT TO SHUCKBURGH HALL

By kind invitation of Sir James and Lady Clare Shuckburgh, the ALA Central England Group is pleased to invite you to its Spring Visit to **Shuckburgh Hall and Gardens**, on **Thursday, 22 March 2017**.

Shuckburgh Hall and Deer Park is not currently open to the public and has remained a family home and seat of the Shuckburgh family for over 1000 years. The Hall is a Grade II* manor house, set in a Deer Park with the 14th century St John the Baptist in the Wilderness Church.

The Estate comprises 2,500 acres of mixed farmland comprising 8 let farms and buildings, 24 Estate cottages, together with 150 acres of woodland. Shuckburgh Hall and the Church also house a collection of historic works of art.

Sir James recently succeeded his father, Sir Rupert Shuckburgh, 13th Baronet and the grounds now host a variety of events. Inheritance Tax has been burdensome and to take the Estate forward, the Trustees have applied for conditional exemption and have prepared a Heritage Management Plan.
