### **More information about the ALA:**

The ALA was founded in 1975 to provide a forum for professionals serving agriculture (lawyers, surveyors, accountants, bankers, farm business consultants and others) to support each other in their specialism. Day conferences are held each Spring and Autumn which provide an excellent selection of agriculturally-based talks plus an opportunity for networking. For more information, visit [www.ala.org.uk](http://www.ala.org.uk)

The regional groups are an initiative to cater for practitioners at a local level, their purpose being to:

- Provide a source of continuing professional development for those in rural businesses
- Encourage the development of working relationships by inter-professional networking
